- **Saline High School, Saline, MI**

**Apr 3rd -  
Apr 5th:**

- State Competition
- Saginaw Valley State University

**April 16th -  
April 19th:**

- World Championship
- Houston, TX

# 2025 Milford Competition

---

## **District Event Winner Autonomous Award Winner**

We hosted and competed at the Milford District Event on Feb 28 - Mar 1, 2025. We have hosted the Milford District Event since 2018. Our team collected 15 wins, 3 losses, and 0 draws. As part of the FIRST in Michigan District, we ranked 6th (of 39 teams), ending with a total of 71 district points. We are currently ranked 5th in the state (of 619 teams).

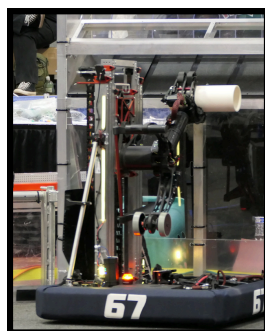

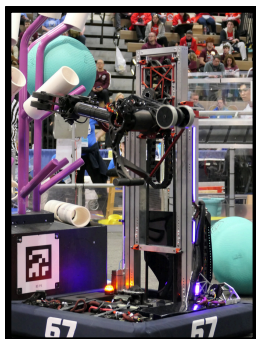

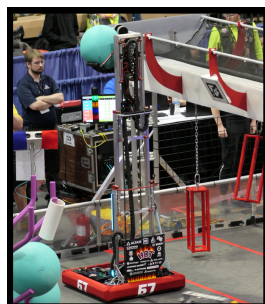

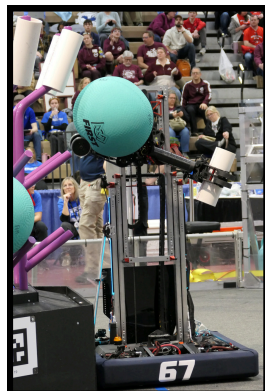

We placed 3rd after the qualification rounds, were selected by the 1st seed, Dreadbots 3656, during alliance selections and picked up a solid 2nd pick Team 6344, Yale Jiggawatts in the final selection round. We powered through the elimination rounds undefeated going into the finals. After a close loss in Finals 1, our alliance recovered, winning the next 2 matches to clinch the victory. Next stop is the Saline District Event in 3 weeks!

We also took home the Autonomous Award due to our consistency in scoring 3 game pieces during the Autonomous period. Our drive team, consisting of Taelyn (operator), Vincent (driver), Julian (human player), and our drive coach Jim, played a pivotal role in leading us to victory.

As part of this event, we had the privilege of hosting 5th graders from Heritage Elementary, as well as students from the high school, who came to visit and support us during the competition. A big thank you all our volunteers and college representatives - and to Meijer for sponsoring our concessions stand.
